quantity is taken.

DEAR MADAM:- The reputation of your Medical  
Discovery, in curing all kinds of humors, is so well  
known, and acknowledged by all who have ex-  
perienced it; that I need not say any more of its  
benefits, as the most skillful physicians and the most  
experienced druggists in the country are unanimous in  
praising it.

In presenting the Medical Discovery to Your notice,  
I am fully sensible of the great curative power it  
possesses, and every kind of complaint, whether  
you are unfortunately so liable. That most exor-  
bitant and dangerous disease, the mother.

TELEGRAPH!

REPORTED BY THE N.Y. ASSOCIATED PRESS FOR THE DAILY SENTINEL.

Arrival of the Steamship Bohemia.

Quincy, July 30.—P. M. The S. S. Bohemia, from Liverpool, arrived at 11 A. M. yesterday, and arrived at this port at 3 P. M. An interruption of the working of the telegraphed the transmission of news to us yesterday.

The R. M. steamship Asia arrived at Liverpool on the 12th.

The Illinois and Saxon will arrive at Southampton on the 13th, for New York.

In the House of Lords, on the 18th, the Earl of Granville stated his belief that the disturbances in New Zealand had been very greatly exaggerated.

A debate took place on the Savoy question and the policy of England's taking part in the proposed conference. In the course of the debate the annexation of Savoy to France was very generally denounced.

In the House of Commons, Mr. Ruskell attacked the Government for prosecuting an unjust war with China.

Mr. Gladstone replied, by denying the war to be unjust.

Mr. Gladstone made a statement of the financial position of the country, proposing to levy a duty of 10 per cent on all foreign goods, which was agreed to.

FRANCE.—The news from France is important.

The Assembly announces that a project of law for the purchase of the canal had been adopted.

NAPLES AND SICILY.—Sanguinary combats reported to have taken place near Messina between the Neapolitans under Col. Baro, and the advance guard of the Sicilian army.

The British admiral, Mundy, had killed 100 men and 8000 cattle, and there were several other British vessels in the harbor.

Two others from Sicily, for conspiring against orders.

Farine is said to have had full power from Sicily to assume the title of Royal Commissioner as soon as annexation was declared.

SYRIA.—The measures of Christians in Syria are said to result from 7,500 to 8,000 persons.

One hundred and sixty villages have been destroyed.

Stinking deaths are given of the barbarity inflicted on all ages and sexes.

The ship Squamish, of Boston, was wrecked at Bombay.

An attempt to throw a train from the track.

Boston, July 30.—P. M. An unsuccessful attempt was made Saturday night to throw a train from the track, near Farmington, by placing shrapnel across the rails.

The train had been running at high speed, being behind time, but the engine had stopped, and the engine struck the shrapnel on the track; 3 of them were thrown off the rails, but two of them were under the lower engine, and the train bore along till the train stopped. The train derailed, causing a panic, but no damage was done.

Arrival of the Quaker City.

New York, July 30.—P. M. The S. S. Quaker City arrived this A. M. from Havana.

Among the passengers are Admiral Piquet, of the Spanish Navy, and Hon. Antonio Manilla, Mayor of Havana.

Two lines of steamships will be sent to the Havana, from Havana to Baltimore, and the Quaker City to Baltimore.

Business was quite active for the season.
